

Thatchers Foundation pledges £50,000 towards the WiNSpace Project

We are delighted to announce that the Thatchers Foundation has pledged £50,000 to help us build our new community building.

As the largest employer in the area Thatchers were keen to help us in creating a valuable community asset that will benefit all the residents of Winscombe, Sandford and surrounding areas. The Trustees of the Thatchers Foundation have reviewed our plans and were impressed with the efforts the WiNSpace team have made with fundraising and in the design of a modern, energy efficient building that will serve the needs of our community for many years to come.

The WCA Trustees & WiNSpace team are very appreciative of this support which makes Thatchers one of our larger sponsors. This donation will allow us to improve the specification of the project, and the WCA will recognise the contribution in a permanent way in the new building.

WiNSpace Project has broken ground

Following the completion of the demolition, the first sod of turf has been cut, at the start of the WiNSpace ground work. The foundations are due to be completed before the end of January after which the position and footprint of the new community space will be visible. Shortly after that the substructure and structural frame will be constructed. This will involve a number of large deliveries and a crane and may require some additional restrictions. Keep an eye on our website and Facebook pages for updates. Why not follow us on Facebook to keep in-touch.

Latest Funding News:

With the success of the grant award from the Thatchers Foundation and other local donations the WiNSpace team are excited to announce our funding shortfall is now reduced by £75k, with only £100k to meet our £2m target.

Parking at the Centre:

We remind everyone that during the build our car park will be for Centre users only. We politely asking locals, shoppers and dog walkers not to leave cars on the site. We are also encouraging users, when the centre is busy, to leave parking spaces for those who may need them more
