

WiNSpace meets another major Milestone

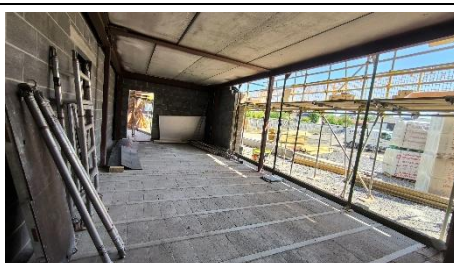

WiNSpace is really loving the dry weather, which has allowed for good progress on the construction site. With the fitting of the roof, roof lights, passive ventilation and 33kWp solar array we have 'Topped Out' which celebrates the completion of a building's structural framework and roof structure. We're really pleased with the progress that Rigg Construction are making and how well they have managed the construction and site cleanliness. We hope you think the same.

Funding Update: We have had over 150 individual donations to WiNSpace, our thanks goes to each and everyone of you, for making such a difference. Recently we have been notified that we have been successful in a **Sports England Grant** which will pay for a wooden sprung floor in our Activity Hall. With this Grant and with the donations received it means we are now only £40,000 from our Target, to build and fit-out. Look out for our Fit-Out WiNSpace postcards

Urgent
Help fit-out WiNSpace
We're opening in November 2025 but need more money to fit-out the rooms. All contributions will make a difference. To see where your money will go, look at our wish-list overleaf. We need to commit to major building cost items by end June, so please help ASAP.

Shortfall:
Was
£60,000
Now Only
