

We are only 7 weeks away from Completion

It's amazing to think that after 12 years of hoping, planning, fund raising and choosing the colour of the toilet doors etc, Winscombe is about to get a new community building for the Parish. The Construction company and their sub-contractors are currently busily hanging doors, painting walls and fitting room heating systems. All that will be left to do next month is to commission everything and give it a really good clean . We can't wait to get the keys and show the community what they have achieved. Our thanks go to everyone who has helped us to get here in any way, shape or form. Are we excited, absolutely we are.

We are really pleased how it looks, we hope you are too!

Funding Update

**The Community Foyer
Still work in progress!**

This is another good news story. Although we can't quite say, until we have obtained the final bills, we strongly believe we have met our funding target of £2,000,000 (big smiley face). This pays for the building and gets nearly everything off our 'Wish List'. To make this final step to this amazing milestone, a grant application for £14,992.57 from the UK Government through the Rural England Prosperity Fund was successful. Getting fully funded has been achieved through the generosity of the Local Community and Businesses, Grant Providers and Parish Council and North Somerset Council– we have been so lucky.

New Building - Room Bookings - What's on

Very shortly we will be adding the new building rooms to our booking system (Hallmaster) with links from our website. In the new building you will be able to chose from the Large Event Space for up to 120 users, an Activity Hall (sprung floor) for about 60 users, a Meeting Room (dividable) for about 40 users and a large general circulation space (Foyer) for meeting and greeting or for just sitting down with friends and having a chat. As soon as we get the keys we will be fitting out a kitchen and 2 simple servery areas. These will all come on-line as soon as possible, watch this space. Rooms will be available from January. But before that, Panto is coming to the Event Space 18th Dec to 20th Dec – Oh yes it is (well, as long as the building is finished) – all fingers are crossed.
